## **Curing Bipolar Disorder and Schizophrenia** Doris King

For a long time, bipolar disorder and schizophrenia were thought to be incurable diseases. But every disease is curable, once we realize what's causing it. Based on the work and research of the late Dr. John Lee, *Curing Bipolar Disorder and Schizophrenia* explains the importance of hormone balance to mental health and describes what can happen in the brain and body when they don't have the progesterone they need. *Curing Bipolar Disorder and Schizophrenia* will help you determine if your hormones are making you sick and then it will give you the tools you will need to correct it.
