seventeen years old,

a genius computer hacker on the brink of creating an artificial intelligence,

and obsessed with a girl.

For one, he’s never been out in public.

And here’s something else: he isn’t even human.

Now it’s time for him to run away from the home he’s known and step out into the real world. But it’s a hard world out there...

Especially if you’re a *monster*.
