Peace and Laughter Jaren Hailey

Peace and laughter-two of the most beneficial forces on this earth! Jaren has carefully selected each and every poem she feels will bring positive contributions to our too many moments of sorrow and stress. The shocking merits of an electric brother, a child's day at a pond, a smile that won't quit, a sensuous deep sea excursion, dedications to beloved grown grandchildren, what to do with an immensely troublesome math problem, a war nobody came to-Jaren takes the reader to the essence of each, capturing its peace, joy, satire, or its humor.
