Preaching According to the Holy Spirit Jay Edward Adams

In this book, Jay Adams sets forth the Holy Spirit's concerns about preaching by studying our models-- the apostolic preachers in the New Testament. He shows how you might say the right thing with the right words in the right manner at the right time. This book will help you to do your best to present yourself to God tried and true, a workman who won't be ashamed, cutting the Word of truth with accuracy so that on the last day you will hear Well done, you good and faithful servant.
