Trucking Guide to Border Crossing Alice Adams

This pioneering book will make the difference between a successful first-time route into a neighboring country and possible problems that could mean a driver's last trip across the border. Written for professional drivers crossing borders between Canada, the United States, and Mexico, this step-by-step guidebook offers explanations for many of the issues relative to policies among the three countries, compiled into a usable format to help drivers avoid delays and other problems often associated with border crossing. Information regarding the "must know" facts about each country will make every international driver using this book an asset for carriers and their clients.
