Known for its accuracy, evidence-based focus, and engaging writing style, **Wong's Essentials of Pediatric Nursing, 10th Edition** has been the #1 title in the pediatric nursing market since it first published in 1980! Thoroughly revised to equip you with the latest research and guidelines for treating children today, it encourages a whole-body approach by beginning with child development and health promotion to better understand the later chapters on specific health problems. A new chapter featuring all systems cancers provides comprehensive information in one place. Nursing Care Plans now incorporate additional case studies to personalize interventions and promote critical thinking.

- **A developmental approach** clearly identifies key tasks, influences, and differences at each stage of a child's growth to help students provide appropriate, individualized care for each child.
- **UNIQUE! Critical thinking case studies** allow you to test and develop your analytical skills in a variety of clinical situations.
- **UNIQUE! Quality Patient Outcomes content** in *Nursing Care Management* discussions for major diseases and disorders helps you understand how the care you provide directly impacts patient safety and promotes positive outcomes.
- **Updated genetic content** in the *Developmental and Genetic Influences on Children* chapter addresses rapidly changing and important information as it relates to children in health and illness.
- **UNIQUE! Family focus** includes a separate chapter on the role of the family in child health, family content throughout the text, and *Family-Centered Care* boxes that highlight information on patient teaching, home care, and incorporating the family in the child's care.
- **UNIQUE! Translating Evidence into Practice boxes** focus your attention on the application of research and critical thought processes to support and guide the outcomes of nursing care.
- **UNIQUE! Atraumatic Care boxes** guide you through performing procedures in a caring manner, promoting more positive experiences for children, families, and nurses.
- **Drug Alerts throughout the text emphasize important drug information and point out potential safety issues.**
- **An emphasis on wellness** offers health promotion and injury prevention strategies for each age group.
- **Community Focus boxes provide resources and guidance on caring for children outside the clinical setting.**
- **Nursing Care Plans**, including Nursing Diagnoses, Patient/Family Goals, Nursing Interventions/Rationales, and Expected Outcomes, provide you with a model for planning patient care.
- **Research Focus boxes** help you remain abreast of current studies that impact pediatric nursing today.
- **Cultural content**, integrated throughout the text and highlighted in *Cultural Considerations* boxes, exposes you to customs and beliefs of different cultures that influence child care, enhancing your ability to provide quality nursing care to ALL children and their families.
- **Nursing Tips throughout the text offer helpful hints and practical, clinical information of a non-emergency nature.**
- **Nursing Alerts throughout the text provide you with critical information that must be considered in providing care.**
- **UNIQUE! Emergency Treatment boxes serve as a quick reference in critical situations.**
- **Nursing Care Guidelines boxes provide you with clear, step-by-step, detailed instructions for performing specific skills or procedures.**
