## **Good or God? Curriculum (BOOK+DVD+CD) John Bevere**

If it's good, it must be God. Right? These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice--good. Selfishness, arrogance, cruelty--evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This six-week study will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life. Included inside: -6 sessions on 2 DVDs and 3 CDs (30 minutes each) --Good or God? hardcover book with six weeks of devotions and discussion questions --Promotional materials
