Horace Odes I: Carpe Diem

Horace

Horace Odes I: Carpe Diem Horace

Though Horace is a great poet, much loved and imitated in the past, he is very little read today. This is partly because he has never been translated into readable English that is also faithful to the Latin original. David West here provides such a translation of one of Horace's greatest works, and supports it with a basic commentary that will help newcomers to Horace--whether students or general readers--to understand how the poetry works.
