Romance Around Us

Andrei Merkulov

Romance Around Us Andrei Merkulov

Andrei Merkulov has written a book of short stories about Soviet test-pilots and the script of the motion picture "The Aim of His Life." His new book "Romance Around Us" is not fiction. He introduces the reader to Soviet test-pilots, whose daring feats at high altitudes laid the way for the cosmonauts; to the famous four soldiers, who for forty-nine days fought the raging Pacific; to the old revolutionary and writer Ivan Kozlov, blind but not defeated, to M. Gerasimov, the sculptor and anthropologist.

The author visited the North Pole, the far-way Komandorskiye Islands and now tells of the romance of the sea, the life in the taiga around the Baikal Lake and about the courageous people inhabiting the remote outskirts of the Soviet Union.
