## Safety of Secrets, The DeLaune Michel

"Now we're just alike." So begins Fiona and Patricia's friendship that warm autumn morning in first grade in Lake Charles, Louisiana, their bond forged ever closer by Fiona's abusive mother and Patricia's neglectful one. Their relationship is a source of continuity and strength through their move to L.A. to become actresses; through Fiona's marriage and Patricia's sudden fame. When husband and career pressures exact a toll, the women wonder if their friendship can survive. Then a dark secret from their past emerges, threatening to destroy not only their bond, but all they've worked for as well.

*The Safety of Secrets* is a beautifully written exploration of the bonds forged in childhood and challenged decades later, of the fulfillment of dreams and the damage they can cause, and of secrets being uncovered and the truth we find inside.
