## **The Barrens and Others** F. Paul Wilson

*The Barrens and Others* is the first new collection of fiction in years by bestselling author F. Paul Wilson. From *The Keep*, nearly twenty years ago, to this year's *Legacies*, Wilson has been one of the most dependable names for fine storytelling in whatever genre he chooses.

In *The Barren and Others*, Wilson lets his fertile imagination run wild, traveling from the Old West of Doc Holliday to the Pine Barrens of present-day New Jersey and encountering many strange, suspect, and supernatural happenings along the way. From urban mercenary Repairman Jack, hero of Wilson's recent novel, *Legacies*, to the obese and food-obsessed Topsy, Wilson's wild array of characters get caught up in adventures both fascinating and horrifying.

A first-rate collection of first-rate tales, ranging from Lovecraftian to Western supernatural, with many mysterious combinations in between, *The Barrens and Others* will be a treasure for Wilson's established fans and to those discovering Wilson for the first time.
