The Immaterial (The French List)

Andre Gorz

The Immaterial (The French List) Andre Gorz

In *The Immaterial*, French social philosopher André Gorz (1923–2007) argues, in his finely-tuned and polemical style, that the economic boom that accelerated in the 1990s and crashed so spectacularly in 2008 was based largely on an immaterial consumption of symbols and ideas, as capitalism tried to overcome the crisis of the formally industrial regime by throwing itself into a new, so-called knowledge economy.

In this, the last full-length theoretical work Gorz completed before his death, he argues instead for the creation of a true knowledge economy. This economy would be based on zero-cost exchange and pooled resources, and knowledge would be treated as humanity's common property. Currently, in order to exploit knowledge and turn it into capital, the capitalist enterprise privatizes specialized knowledge and claims ownership through private licenses and copyright. But as Gorz shows, the traditional foundations of such capitalist economics have begun to crumble because of the immaterial nature of this new form of product, which makes it almost impossible to measure in monetary terms. The knowledge economy, Gorz declares, *is* the crisis of capitalism.

Thought-provoking and divisive, *The Immaterial* is the perfect book for our time, as we begin to reimagine the structures of our economic system in order to rebuild and move forward.

“It is to Gorz . . . that readers should turn for a compelling combination of sharp analysis, well-wrought polemic, and suggestions for the future.”—*Red Pepper*

“A great figure of the intellectual Left.”—Nicolas Sarkozy

“Gorz’s intelligence strikes you at the very first glance: it is one of the nimblest, acutest intelligences I know.”—Jean-Paul Sartre

Brian Ramos:

Do you considered one of people who can't read satisfying if the sentence chained inside straightway, hold on guys this kind of aren't like that. This The Immaterial (The French List) book is readable by simply you who hate the straight word style. You will find the information here are arrange for enjoyable reading experience without leaving actually decrease the knowledge that want to give to you. The writer associated with The Immaterial (The French List) content conveys the idea easily to understand by many people. The printed and e-book are not different in the information but it just different available as it. So , do you continue to thinking The Immaterial (The French List) is not loveable to be your top collection reading book?

James Snider:

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Immaterial (The French List) can make you feel more

interested to read.
