Business Bankruptcy: Financial Restructuring and Modern Commercial Markets provides students with a contemporary stand-alone business bankruptcy text. Designed to teach financial restructuring law in a realistic twenty-first century commercial context, the book explores not only Chapter 7 and 11 bankruptcy, but also out-of-court restructuring, modern financial products and transactions, as well as advanced in-court topics.

This dynamic casebook is ideal for students who will go into financial restructuring practices and should be targeted to Tier 1 and Tier 2 law schools, especially those faculty members who have recent practice experience and know how out of date the existing competition remains.

Look for these key features in the new edition:

- Expository text with tightly integrated statutory excerpts
- Covers both classic and contemporary cases
- Extensive problem sets
- In-depth case-studies contextual judicial decisions
- Unique coverage of legal issues in out-of-court restructuring
- Detailed coverage of modern financial products and markets
- Text and problem sets incorporate a range of deal documents
- Modular design enables optional coverage of advanced topics
