Equine Training Log & Health Care Diary Mike Scott

This journal has been a best seller in many tack shops and for pony clubbers, 4-h record keepers and the avid competitor. It is designed to keep track of expenditures, all health records, show records, horses personal history and importantly, a log book to record all of your horses exercise routines for a year or more.

Many injuries have been avoided due to proper record keeping and the ability to check on cyclical occurrences in training.
