The Sea (Starters)

Claire Llewellyn

The Sea (Starters) Claire Llewellyn

This highly attractive introduction to a subject of great fascination to young children looks at tides, life underwater, undersea exploration and other intriguing aspects of the sea. In a nearly square format, the book is easily handled by children and is clearly and stunningly illustrated with bright colour photographs. It contains contents, a combined index and glossary, and captions to provide experience of the organisational features of non-fiction. It has also been checked by literacy and science consultants.
