**witches, pumpkins and grinning ghosts: the story of the halloween symbols** edna barth

THE BOOK IS NOT LIKE NEW THE BOOK IS "NEW" NEVER OPENED..I pulled it out of the same section in the elementary school library where they keep books on the Loch Ness Monster and UFO's. The book gave some really cool insights into the history and symbolism of Hallowe'en. If you really, and I mean REALLY love Halloween, this book will make you proud sitting on whatever creepy old bookshelf you have at home (put it next to the skull and severed hand!). The watercolor(?)illustrations truly capture that autumn spirit also. They say that the best children's books are those aimed at older readers, and this goes for this too!/BEST VALUE/FAST SHIPPING /OUTSTANDING CUSTOMER SERVICE/
