Alfred Jensen: Concordance

Michael Newman, Lynne Cooke, Michael Govan

Alfred Jensen: Concordance Michael Newman, Lynne Cooke, Michael Govan

In an imaginative merging of abstraction and personalized iconography, Alfred Jensen's bright paintings elaborate his cosmological speculations, drawing on astronomy, physics and mathematics, and frequently implicating Mayan and Chinese calendrical systems. Included in *Concordance* are large-scale multi-faceted paintings that span the artist's mature career from 1960 onwards. *Concordance* includes many rarely seen works from the artist's estate as well as a late 12-panel work, "The Great Pyramid," executed in 1979 and never before published.
