"BITTERSWEET" This is the tale of one girl's life in America. The Childhood The Teen Years The Young Married Years The Raising of the Family The Business Years to earn the needed money for the Children. The Dream and Hope for my Golden Years, that sustained and inspired me to push forward, working towards the fulfillment of that dream. Never letting the challenges, defeats, struggles, blur or erase the happiness I knew awaited me. I loved him so. I wanted this book to be different, so I added pictures to further interest and enhance the reading. I wanted to share the excitement of, "Your one true love." The beauty, the greatness of love shared. The amazement, the joy of sharing, "Your true love." Just to know the other exists is worth living. Hook your spirit to mine and come along. We'll ride the stars together.
