Critical Thinking

Brooke Noel; Parker, Richard Moore

Critical Thinking Brooke Noel; Parker, Richard Moore

The first integrated program designed specifically for the critical thinking course Moore & Parker's Critical Thinking teaches students the skills they need in order to think for themselves—skills they will call upon in this course in other college courses and in the world that awaits. The authors' practical and accessible approach illustrates core concepts with concrete real-world examples extensive practice exercises and a thoughtful set of pedagogical features. The Connect course for this offering includes SmartBook an adaptive reading and study experience which guides students to master recall and apply key concepts while providing automatically-graded assessments. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments quizzes syllabus notes reminders and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready loose-leaf version includes free shipping.

Complete system requirements to use Connect can be found here:

From reader reviews:

Richard Bennett:

Information is provisions for folks to get better life, information nowadays can get by anyone in everywhere. The information can be a know-how or any news even a problem. What people must be consider while those information which is in the former life are challenging be find than now's taking seriously which one would work to believe or which one often the resource are convinced. If you have the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Critical Thinking as the daily resource information.

Kristine Toomey:

People live in this new morning of lifestyle always try to and must have the free time or they will get wide range of stress from both daily life and work. So , if we ask do people have time, we will say absolutely sure. People is human not a robot. Then we inquire again, what kind of activity have you got when the spare time coming to an individual of course your answer will certainly unlimited right. Then do you ever try this one, reading books. It can be your alternative within spending your spare time, the particular book you have read will be Critical Thinking.

Candace Arroyo:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Critical Thinking can make you really feel more interested to read.

Jane Rippeon:

Reading a e-book make you to get more knowledge as a result. You can take knowledge and information coming from a book. Book is prepared or printed or created from each source that will filled update of news. On this modern era like today, many ways to get information are available for you. From media social like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just looking for the Critical Thinking when you desired it?
