Imagine losing what you cherished most... And somebody offers the guarantee of a better life in the distant future... Would you take the chance? After recovering from near-fatal injuries sustained on a mission, Luke Porterfield is offered a second opportunity to fight terrorism by a private venture. He is stored in bleeding-edge technology before agreeing to the deal, and wakes to an uncertain fate. In a vastly changed and advanced world, Luke is tasked to defeat a deadly and elusive terrorist group. When his mission unearths a five-decade-long conspiracy, the explosive consequences force him into risking his life to save society. **Fast Forward is a thrilling science fiction adventure packed with action, unexpected twists, and technologies destined to be part of our future.**
