Take me home (Living Books)

Bonnie Jamison

Take me home (Living Books) Bonnie Jamison

When Bonnie Jamison's mother had become unable to care for herself because of a debilitating disease, a nursing home had seemed the best solution.

Now, however, as she read the scribbled note her mother had handed her and as she looked at the frail woman pleading to come home, she was plagued by guilt and uncertainty.

What should she do? Could she ask her busy, involved family to invite someone who would need constant care and attention into their home to live? How would she ever manage to be a good wife, mother, and nurse? Did she even want to try?

Anyone who has ever faced the struggles of a relationship with an aging parent, relative, or friend will find hope and assurance in this woman's candid story.
