**Zero F\*cks: a standalone novel** LK Collins

Nixon Andrews is an alpha male with a dirty mouth.

After getting kicked out of the Navy, he lives giving zero f\*cks.

That is, until his ex he left behind, comes back into his life in the most unlikely way.

- Synopsis -

I fell in love with Cameron Hollis the moment I laid eyes on her.

She was everything to me.

We had nothing but a clean slate ahead of us, until the day I made the biggest mistake of my life.

I let her go.

It was for her own good...at least that's what I told myself.

That was five years ago, now my tour is over, and I'm home.

Nothing matters without her.

But I won't go after her, the guilt I have is too much to face.

I lied...about so many things, she'll never look at me the same way.

Zero f\*cks, that's how I live now.

Part of me died the day Nixon Andrews broke my f\*cking heart.

He became a Navy Seal and then decided the course of my future, like he had the f\*ckin' power.

Why?

Because he didn't want to see me end up hurt.

He was protecting me...from him.

But I didn't need protecting, I just needed Nixon.

Even if he was halfway across the world, I needed to know that no matter what, we were going to be okay.

That was five years ago and still not a single word from him...

\*\*\*This book is an Erotic Romance novel and contains mature subject matter. It is not intended for those under 18 years of age.\*\*\*
