60 Minutes to Better Painting: Quick Studies in Oil and Acrylic Craig Nelson
One hour is all you need to be a better painter!

Focus your artistic efforts to get powerful painting results. Craig Nelson's "Quick Studies" help you to stop over-thinking each project by relying on proven techniques that get the most out of your time at the canvas.

With this book, you'll learn to:

- Wield your brush in a style that suits your painting--energetic, careful, soft or crisp
- Overcome procrastination and explore new subjects
- Render rough compositions before committing your idea to a larger canvas
- Prioritize your painting efforts--see basic shapes first, *then* the fine details
- Paint with newfound confidence
- Grow as an artist by welcoming mistakes
- Explore composition, color and light effects
- Draw mass and form, not just the lines that make up your subject

Ten step-by-step demonstrations, with each step timed to the minute, ensure that you spend the right amount of time developing the most important skills. It's the most efficient, effective way to improve your efforts at the easel!
