Bearden's Odyssey: Poets Respond to the Art of Romare Bearden

Bearden's Odyssey: Poets Respond to the Art of Romare Bearden

Borrowing from Romare Bearden's aesthetic palette and inspired by his Odysseus series, *Bearden's Odyssey* gathers, for the first time, poems from thirty-five of the most revered African diaspora poets in the United States. Poetic echoes come forth in themes of inspiration with historical intersections of one of the greatest visual artists of the twentieth century.

The award-winning editors, Kwame Dawes and Matthew Shenoda, assemble an esteemed literary congregation, with original poems by Chris Abani, Rita Dove, Lyrae Van Clief-Stefanon, Ed Roberson, Aracelis Girmay, Yusef Komunyakaa, and more. With a powerful foreword by Nobel laureate Derek Walcott and stunning visual reproductions of select Bearden masterpieces, this anthology fuses art and literature, standing as a testament to Romare Bearden's power and influence in the contemporary artistic world.
