## Clinical Handbook of Pediatric Gastroenterology (Qmp Clinical)

**Clinical Handbook of Pediatric Gastroenterology** is a pocket handbook written to meet the needs of both newcomers as well as veteran providers of care for children with gastroenterology and nutritional problems. Composed of 21 chapters, the initial chapters address the more common conditions seen in patients and are organized in a framework designed to provide key assessment features, diagnostic tools, and treatment options.

Clinical pearls and key resources draw on the practical experience of the contributing authors, who are nursing experts in their specialty areas. The final chapters present key background information on diagnostic studies, medications, and nutritional aspects that provide a basis for the therapies used in the practice of pediatric gastroenterology.
