Declaration of War

Screaming Wolf

Declaration of War Screaming Wolf

This book describes the opinions and feelings of a group of people who were once members of the Animal Liberation Front. Liberators believe that a human has a no greater claim to life than a mole or a sea bass. They feel that humans are the lowest form of life, and that the world would be a much better, more peaceful place without them. If you agree with this position, then you will love this book.
