In these connected novels, lightning leads to love, danger, and the unraveling of long-buried secrets that will change not only the past but also the future... Katherine Barrett, a dedicated young doctor, receives a terrified phone call from her brother, TJ. He is running away to Mexico to save himself and their family from an unnamed killer. He warns her not to come after him and not to go to the police, as there is no one she can trust. But Katherine realizes there might be someone she can trust... She turns to her former high school sweetheart Jake Monroe—the man whose heart she broke a decade earlier. Katherine asks Jake to fly her into a remote and dangerous part of Mexico where no one else dares to go. Jake had always thought that one day Katherine would realize she needed him, but he didn't expect it to go down this way. Still, he can't resist the beautiful blonde he has never been able to forget.
