An ALA Notable Children's Book

An ALA Best of the Best Books for Young Adults

The Horn Book Fanfare List

Desperate, driven, harassed to the breaking point, Slake decides to go underground—into the sheltering depths of the New York City Subway where he ends up staying for one hundred and twenty-one days. This is the story about survival, and about a 13-year-old misfit's attempts to find footing in a hostile and threatening world.

From reader reviews:

Michael Albin:

Often the book Slake's Limbo will bring that you the new experience of reading some sort of book. The author style to clarify the idea is very unique. In the event you try to find new book to see, this book very acceptable to you. The book Slake's Limbo is much recommended to you to read. You can also get the e-book from your official web site, so you can more readily to read the book.

Cliff Boyd:

Reading a book tends to be new life style on this era globalization. With looking at you can get a lot of information that will give you benefit in your life. Using book everyone in this world may share their idea. Publications can also inspire a lot of people. Many author can inspire their particular reader with their story or maybe their experience. Not only situation that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors in this world always try to improve their proficiency in writing, they also doing some research before they write to the book. One of them is this Slake's Limbo.

Jeffrey Bumgardner:

Your reading 6th sense will not betray you actually, why because this Slake's Limbo reserve written by well-known writer whose to say well how to make book which might be understand by anyone who read the book. Written inside good manner for you, dripping every ideas and writing skill only for eliminate your own personal hunger then you still hesitation Slake's Limbo as good book not only by the cover but also with the content. This is one guide that can break don't evaluate book by its deal with, so do you still needing a different sixth sense to pick that!? Oh come on your looking at sixth sense already said so why you have to listening to yet another sixth sense.

Misty Ware:

As we know that book is significant thing to add our information for everything. By a reserve we can know everything you want. A book is a pair of written, printed, illustrated or even blank sheet. Every year has been exactly added. This book Slake's Limbo was filled about science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has several feel when they reading a book. If you know how big good thing about a book, you can really feel enjoy to read a book. In the modern era like currently, many ways to get book that you simply wanted.
