The World According to Noddy Noddy Holder

National treasure, godfather of glam and thinking grandmother's crumpet, Noddy Holder possesses that megastar quality that has made him a living legend. In *The World According to Noddy* he shares her life experience with trademark humour and insight. He recalls all-conquering Top of the Pops appearances, endless world tours, epoch defining anthems, thespian triumphs, and gluing some mirrors onto a top hat to change the face of fashion forever. From his early days on the West Midlands beat scene, including a stint as a roadie for Robert Plant, Noddy charts his rise from skinhead stomper to international pop-star, statesman, playboy, male model and philosopher.

From marriage to modern technology via music and fashion, to Christmas and travel, Noddy takes on the subjects that are close to his heart. Witty, wise and hilariously funny, this Noddy Holder at his glittering best.
